ARCHITECTURE

中国古建筑系列 Series of Chinese Ancient Architecture

Traditional Chinese architecture is one of the important manifestations in the development of Chinese culture and history. Through the development, inheritance and evolution of thousands of years, it has gradually formed a unique architectural system and artistic style. It occupies an important position in the history of the world and is like a bright pearl, which is still blossomed. This series of books contains exquisite architectural decorations in various parts of North and South China, which are divided into wood carving, brick carving, stone carving, coloured drawing, grey molding, and colored glaze.

中国最美的古镇系列

Series of the Most Beautiful Ancient Town of China

This book series is intended to introduce many quaint towns and villages across the country, to make readers appreciate the different qualities of different places in China, such as the elegance of buildings in Anhui, the gentleness of water towns at Yangtze Delta, the pristine nature of courtyards in Northwest China, the mysteries and legends of towns in the Southwest, and the delicateness of Hunan and Guizhou. With exquisite pictures and vivid words, it reveals historical memories to people and make readers have a sense of the cultural heritage of traditional villages and ancient towns of China. This is the first book of this series, mainly introducing eight famous ancient towns in southwest China, including Luodai (Chengdu), Huanglongxi (Chengdu), Anren (Dayi), Jiezi (Chongzhou), Guandu (Kunming), Shuhe (Lijiang), Shedian (Nanyang) and Fencheng (Linfen).

The application of 9 colors of red, pink, orange, yellow, green, blue, purple, white and black in design in terms of color properties, emotion, sensory experience and color health are introduced in detail. Featured by the exquisite real picture, the perfect union of theory and actual cases, this book has obtained the international well-known designer's joint recommendation.

从建筑到软装 欧美风格二十讲 From Architecture to Soft Loading Twenty Lectures on European and American Style

作者 /Author: 贾旭
装帧 /Binding: 暂无 / N/A
出版时间 /Pub. Date: 2017.12.5

书号 /ISBN: 9787568034388
页数 /Pages: 316
定价 /Price: RMB 268. 00

This book starts from the architectural shape and proportion, exploring the cultural origin behind style through classic cases. It is the first book to analyze the style culture, shape, proportion and element application of the European style, which attracts the hard wear designers and products designers who are interested in studying European style. This book mainly explains the cultural origin of the European style. The author combines the content with the background stories of the origin, which are very interesting and will arouse the reader's strong interest in the European and American style.

如何打造最具销售力样板房

How to Provide the Most Sellable Show Flats

作者 /Author: 黄滢, 马勇
装帧 /Binding: 精装 / Hardcover
出版时间 /Pub. Date: 2017.08

书号 /ISBN: 9787568031509
页数 /Pages: 287
定价 /Price: RMB 298. 00

The book "How to Provide the Most Sellable Show Flats" is very different from the previous books on interior design in the form of content arrangement, because in this book, equal importance is paid to theories and cases. It brings readers much design knowledge, including classification of show flats, how to determine what kind of show flat will be provided, how to transform unfavorable conditions to unique features, style selection of a show flat, lighting design skills, principles of soft adornment and color matching, extended uses of a show flat, the construction of the show flats provided for the purpose of showing construction methods, and maintenance of show flats etc.

软装实战指南 (修订版)

Guidelines for Soft Loading (Revision)

作者 /Author: 吴宗敏
装帧 /Binding: 平装 / Paperback
出版时间 /Pub. Date: 2017.07

书号 /ISBN: 9787568025690
页数 /Pages: 287
定价 /Price: RMB 88. 00

The second edition of "A Guide to Soft Adornment Practices" retains the theoretical content in the first edition, and further brings practical cases. The part of theories explains the principles and techniques of interior decoration from the perspective of five major elements, i.e. furniture, lighting, fabrics, green plants and ornaments, aiming to solve problems, e.g. what is soft adornment and why and how to provide soft adornment. The part of cases contains many first-tier classic design works issued recently at home and abroad, to demonstrate the intention of each master to create the work, decompose each master's thought of design and reproduce the design process.

万有引力 售楼部设计 XIII

Gravitation: Design of Real Estate Sales Center XIII

作者 /Author: 黄滢, 马勇

Real estate sales center, as a miniature of the real estate, will have a look which may be humanistic, artistic, fashionable, dynamic, focusing, sophisticated or luxurious through using all kinds of materials and forms, so as to show the extraordinary quality and good taste of the real estate and promote the sales. This book brings the best cases of the year, including varied styles, to set trend for the design of sales center and also transmit the brand spirit and culture of real estate developers.

禅意东方 居住空间 XIV

Oriental Elegance and Zen Atmosphere: Living Space XIV

作者 /Author: 黄滢, 马勇
装帧 /Binding: 精装 / Hardcover
出版时间 /Pub. Date: 2017.06

书号 /ISBN: 9787568026475
页数 /Pages: 324
定价 /Price: RMB 328. 00

The book contains more than 40 latest cases of oriental style of this year, all of which are designed by the top masters throughout the world. Chinese style space always has oriental beauty and Zen atmosphere. The essence of oriental culture is all concentrated in space. Space atmosphere and space expression methods are two focuses discussed in the book. Utility, art and aesthetics of space are integrated to create oriental elegance and peace and bring people a tasteful life.

欧美经典家具大全

A Collection of European and American Classic Furniture

作者 /Author: 吴天簏
装帧 /Binding: 精装 / Hardcover
出版时间 /Pub. Date: 2017.06

书号 /ISBN: 9787568024549
页数 /Pages: 355
定价 /Price: RMB 368. 00

The book starts with the origins of European and American style furniture and shows readers the development process of western style furniture from ancient times to the present, to lay a solid foundation for further development of China's interior design and soft adornment industry. In order to make the book an ordinary encyclopedia for more people, it strives to be easy to understand by using concise language and inserting illustrations, therefore suitable for use as a reference book for schools, the society and professionals.
